A Message from the Pastor

There's a story told about a young Jewish boy named Mortakai who refused to go to school. When he was six years old, his mother took him to school, but he cried and protested all the way and, immediately after she left, ran back home. She brought him back to school and this scenario played itself out for several days. The boy refused to stay in school. His parents tried to reason with him, arguing that he, like all children, must now go to school. To no avail. His parents then tried the age-old trick of applying an appropriate combination of bribes and threats. This too had no effect.

Finally, in desperation they went to their Rabbi and explained the situation to him. For his part, the Rabbi simply said, "If the boy won't listen to words, bring him to me." They brought him into the Rabbi's study. The Rabbi didn't say a word. He simply picked up the boy and held him to his heart for a long time. Then, still without a word, he set him down. What words couldn't accomplish, a silent embrace did. Mortakai not only began willingly to go to school, he went on to become a great scholar and Rabbi.

On this feast of the Most Precious Body and Blood of Christ, we remember how God in Jesus picks us up and holds us close to his heart for a long time. On this feast, we remember the many wonderful ways that God's love comes to us in the Eucharist. St. Ambrose wrote a prayer about the Eucharist that captures some of that wonder. It goes like this:

In Christ, then, are all things
and he is everything to us!
If you have wounds to be healed,
he is your physician;
if fever inflames you,
he is a fountain;
if you seek to punish evildoing,
he is justice.
Do you need help?
He is strength.
Do you fear death?
He is life.
Do you long for heaven?
He is the way.
Do you flee from darkness?
He is light.
Do you hunger?
He is food.

Continued >>>

Pastor's Message continued from page one:

On this feast, we remember and give thanks for the example Jesus gave us on the night before he died for us. We remember and give thanks for the gift of Christ's Body and Blood which, when we receive it, makes us part of Christ's Body in the world. As the song says: "We are many parts, but we're all one body." On this feast, we remember and give thanks that through the Eucharist God in Jesus becomes involved and committed to us and to our lives on earth. This is a feast of great tenderness, great intimacy and great commitment to us on God's part. If we really see this, if we experience this, if we feel it in our bones, St. Ignatius of Loyola says that we will be filled with gratitude. And gratitude will lead us to ask three questions: (1) What have I done for Christ? (2) What am I doing for Christ? (3) What ought I to do for Christ? Gratitude will lead us to a generous response.

Fr. Mike

Care for Creation Team.... " As part of the universe, called into being by one Father, all of us are linked by unseen bonds and together form a kind of universal family, a sublime communion which fills us with a sacred, affectionate and humble respect. Here I would reiterate that "God has joined us so closely to the world around us that we can feel the desertification of the soil almost as a physical ailment, and the extinction of a species as a painful disfigurement."

St Ignatius School

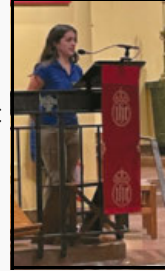

Our 1st and 8th graders led us through a beautiful Mass recently complete with an echo story of Pentecost.

We enjoyed celebrating our Mother Mary through a May Crowning prayer service complete with laying flowers at Mary's Grotto area at the Loyola Jesuit Center next door.

We celebrated our school's spring concert. What a delight to hear our students sing with joy! This year's line-up included Motown songs such as "A,B,C easy as 1,2,3" and "Ain't No Mountain High Enough."

We celebrated another year of wonderful learning through our Academic Fair last week! We heard about famous Christian role models through the 7th grade Night of the Notables, learned about science through the 6th grade science fair projects and saw the various service learning Arrupe projects from our 8th graders. Our younger students displayed planets, artworks, landscapes, bridges, and state maps to round out the whole night.

Our 7th and 8th graders recently took exciting full day field trips. Our 7th graders made their way to Mount St. Helens to explore the Ape Caves and learn in-depth science concepts. Our 8th graders took the train to and from Tacoma to visit the Tacoma Glass Museum and enjoyed creating their own small blown glass item.

We had our Principal for the Day with Principal Naveen. He declared a 'no homework' night and visited many classrooms. He read the book *Dragons Love Tacos* to several younger grade level classes.

We are currently accepting applications for students in preschool through fifth grade. If you know someone possibly interested in making the change to St. Ignatius School, please send them to our website sispdx.org for more information.

As we celebrate the Solemnity of the Most Holy Trinity this weekend, let us revel in knowledge of John 3:16- "For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life."

Peace be with you.
